

5th ICAEIP 2026 Call of Papers

December 21-23, 2026 | Hammamet, Tunisia

2026 IEEE the 5th International Conference on Advanced Engineering in Intelligent Processes

We are pleased to announce that the IEEE 5th International Conference on Advanced Engineering in Intelligent Processes (ICAEIP 2026) will be held during December 21–23, 2026, in Hammamet, Tunisia. This prestigious conference will feature a distinguished lineup of speakers and high-quality research papers addressing topics including safety systems and environment, advanced control in process engineering, robotics and artificial intelligence, power systems, energy storage systems, and energy system cybersecurity. We warmly invite you to join ICAEIP 2026, technically co-sponsored by the IEEE Tunisian Chapter, the IEEE Algerian Chapter, the International Journal of Reliability and Safety, the Algerian Journal of Signals and Systems, and the International Journal of Automation and Safety.

Topics of interest for paper submission include, but not limited to:

Catalyst Processing, Polymer Processing Science and Technology, Petroleum, Ore Exploration and Exploitation, Economy and Marketing in Petrochemical Industries, Environmental Engineering, Heat and Mass Transfer in Ecosystems, Refining and Separation Processes, Smart and Clean Energy, Equipment and Pipelines in Petrochemical Industries, System Analysis and Diagnostics, Complex and Nonlinear Systems, Optimal Design and Process Control, Artificial Intelligence in Industrial Fields, Industrial Robotics, Modeling and Simulation of Petrochemical Systems, Embedded Systems, Discrete Event Systems, Planning and Maintenance, Data Fusion and Big Data, Smart Grid and Renewable Energy, Risk Analysis, Safety Engineering, Risk Management Processes, Reliability Engineering, Intelligent System Safety.

Publication Support

All accepted papers will be published in the ICAEIP 2026 Conference Proceedings. IEEE ICAEIP 2026 Conference Proceedings will be available in IEEE Xplore. In addition, high quality papers will be submitted to the International Journal of Reliability and Safety (Indexed in Scopus).

 Moreover, selected papers from the ICAEIP 2026 will be published in :

- [Algerian Journal of signals and systems.](#)
- [International Journal of Automation and Safety.](#)
- [International Journal of Smart Grid - ijSmartGrid](#)
- [Islamic University Journal of Applied Sciences \(IUJAS\)](#)

Honorary Chairs

- Pr. Toufik BOUFENDI, Rector of Skikda University
- Pr. Mehrez ROMDHANE, Rector of Gabes University
- Pr. Messaoud AMAIRI, Director of ENIG-Gabes

General Chair of IEEE ICAEIP

- 
 Pr. Youcef ZENNIR
 ISTA-Skikda, Skikda University, Skikda, Algeria
- 
 Pr. Hassen DAHMAN
 ENIG-Gabes, Gabes University, Gabes, Tunisia

Conference Committee

- Co-General Chairs**
 Karim CHABIR, Tunisia
 Hichem BOUNEZOUR, Algeria
- Technical Program Co-Chairs**
 Walid MECHRI, Tunisia
 Fares INNAL, Algeria
- Local Organization Co-Chairs**
 Hichem BOUNEZOUR, Algeria
 Ahmed ZOUINKHI, Tunisia
 El-Hadi BOUSSAHA, Algeria
 Mohamed Amine SID, Setif Algeria
- Publication Co-Chairs**
 Nouha ALYAUI, Tunisia ; Rihab LAMOUCHE, Tunisia;
 Aissa BELMEGUENAI, Algeria
 Smaïne MAZOUZI, Algeria
- Award Co-Chair**
 Tolba Chérif, Algeria
